

PET TRANSPORT INFORMATION SHEET

Thank you for choosing to ship your pet with Pacific Air Cargo!

The following information sheet will assist with questions you may have.

*****Please refer to State of Hawaii Animal Quarantine station website for current rules and regulations:**

rabiesfree@hawaii.gov

The following paperwork will be needed and cut off time.

- A. Pacific Air Cargo airway bill completed with the shipper's name, address and phone number also consignee's name, address and phone number. Number of pets you are moving and weight(s).
- B. Health certificates issued by a licensed veterinarian who examined your pet within (10) days of travel. Your veterinarian will be able to provide the required vaccinations or treatments needed to satisfy government requirements.
- C. Your veterinarian can implant your Pet with a microchip with your pet's vaccinations & blood test record numbers that will match the hard copy that is still required**Check with your Veterinarian for further information.
- D. Pet check-in at Pacific Air Cargo Los Angeles (LAX) facility **NO LATER THAN 10:00pm** on the day of departure, please.

Travel kennels information.

- A. Travel kennel should be enclosed and allow room for your pet to stand, sit and lie in a natural position. Should be easy to open and strong enough to withstand the normal rigors of transportation.
- B. Kennel should have three sides of ventilation as well as two dish of water that can attach to the kennel door. Should have absorbent lining and absorbent bedding to accommodate your pet's comfort.
- C. We suggest that you purchase your pet's travel kennel well in advance in order for your pet to get acclimate to it.

Tips on Quarantine Honolulu.

- A. Once our flight has arrived in Honolulu your pet(s) are transferred to the Honolulu International Airport Quarantine station within an hour. Quarantine station is open from 8:00 am to 5:00 pm daily including weekends and the Quarantine station usually have you pet(s) available to be pick up within an hour after being transfer to their station.
- B. The Quarantine station is located at Honolulu International Airport on the Ewa Service Road between Hawaiian baggage claim and International / Foreign baggage claim, Telephone # (808) 837-8092.
